## LETTER OF CERTIFICATION

This is to certify that the manuscript titled:

***"Safflower genotypes submitted to soil density levels"***

originally written in **Portuguese** by William, was translated to **English** by editors/translators in Queen's English Editing Company.

During the translation process, measures were taken to ensure that standards are maintained, so as to prevent distorting the content of the article. We hereby certify the translated manuscript as suitable for publication in its present form.

Thank you for your anticipated co-operation.

Yours faithfully,

Helen N. K.

Manager
